

## SPORTS NEWS

The Boys Year 5 & 6 Football Team kick-started the 2018 sporting calendar for The Canons on Wednesday. The boys qualified for the quarter finals of the **EFL Cup**, hosted by Coventry City after 3 impressive displays, scoring 3 and conceding none. In the quarter finals we progressed with a 1-0 victory, although our unbeaten run was ended in the semi finals losing 1-0 to very good opponents. The lads finished **3rd** out of over **20** schools that competed from across Warwickshire and should be immensely proud of the discipline portrayed on and off the pitch as well as the work rate that was displayed throughout - some wonderful football was played in a range of game scenarios. The pupils have started their next terms worth of curricular PE this week. Lower School will focus upon Sports Hall Athletics, whilst Upper School visit the topic of Gymnastics. A reminder please that suitable PE wear is to be worn at all times during lessons. Kit discipline has severely lacked this week, a definite cause for concern. Finally - teachers have sent out Dojo messages to parents regarding PE wear this week due to our new topics. Although both lower and upper school will be studying inside for PE sessions this term, we strongly advise bringing a warm jumper/hoody, a waterproof coat and warm bottoms in the instance that the halls become unavailable, thus allowing us to work outside.
