Child Safety Awareness Week

This week is Child Safety Awareness week. Child Safety Week is run by **Child Accident Prevention Trust** to raise awareness of the risks of child accidents and how they can be prevented. Further advice and information on accidents and safety please visit www.rospa.com or www.capt.org.uk

If you have any concerns about your child you can speak to your school nurse by contacting **The School Health and Wellbeing Service** on 03300 245 204 - **Option 3**

New School Signing in System

We have had a new signing in and out system installed in both upper and lower school this week for any late registrations and pupils going out for appointments. Upper school children will be able sign themselves in and book their lunches. Any Lower school pupils who are late or leaving for appointments will still come in with parents/carers. Please bear with us in this transition period but all changes are in place to ensure a safer environment for children, families and staff.
