Message from the Head

Welcome Back!

We are delighted to have welcomed back the children after the summer break! We hope you enjoyed your holidays. We have had a busy start to the term already and look forward to many upcoming events to share with you.

I hope the children have enjoyed their first week back, especially our new pupils. The teachers have all commented on it being a really great first impression and relishing the year ahead. Here's to a super Autumn term and another excellent year at **The Canons CE Primary School**. The children all looked very smart in their uniform...please remember to label all items of uniform and PE kit clearly.

As you may be aware, the inspectors from **OFSTED** visited us just before we broke up for the summer. We are delighted to report that the school was deemed to remain as **OUTSTANDING** in all areas. Inspectors were particularly impressed with the level of teaching and learning and how well the children could articulate themselves. They also commented favourably about the leadership and management of the school at all levels. We are thrilled with the report and are hugely proud of the children, staff and all those who have contributed to this magnificent inspection result. The report will be available to view online as of Monday where you find a more detailed version.

Music Tuition - Waiting List

Please contact the school office if your child would like to go on the waiting list for music lessons. We have spaces in Year 3-Year 6 for woodwind & keyboards

Families who receive certain benefits may be eligible for Free School Meals. Registering for free meals could also raise extra money for your child's school to fund valuable support like extra tuition, additional teaching staff or after school activities clubs. Please call in at the school office if you think you may be eligible it only takes a few minutes to apply on your behalf.

Medication in School

Please ensure you update the relevant school office with any changes to medication for your child. If you have stated on the data collection form that your child has asthma we **must** have an inhaler and completed medical form in school for this. Please be reminded we can only administer prescribed medicine that is required **4 times a day** and a medical form must be completed at the school office for this.

Allergies/Dietary Information

If you have previously recorded a food allergy/intolerance for your child which is no longer valid (i.e. they have outgrown allergy etc.) could you please call into the relevant school office to update their records as this information is used as a database for kitchen staff when preparing school dinners. If any of your children have recently been diagnosed with a food allergy or intolerance, can you please likewise inform the relevant school office.
